

**Week 1 Agenda**  
**HUS 530**  
**Spring 1 Term, 2016**

1. Introduction to the course. Greeting Letter
2. Review syllabus and requirements
3. Discuss the reading assignment. *Scott Chapters 1- 4. Keohane Chapter 1-4. Start Your Own Business Chapters 1-3.*
  - Overview of Community Needs Assessment. Identify gaps in service areas. Identify the organization to be developed.
  - Three categories of agency structure - Private for Profit, Private Non Profit, and Social Entrepreneurship
  - Discuss Step 1, which is the assignment due for Week 2. It includes a writing assignment and a presentation.
4. Review book and video for *Start Something That Matters*
5. Discuss Saint Leo value of Excellence
6. Student introductions. Each person has five minutes to introduce themselves. What is your day job? Why have you enrolled in the HUS program? What are your career objectives? How can we use this course to help you achieve your plans and goals? Complete and submit Student Bio forms.
7. Your Plan for the Course. Write a one-page paper (about 300 words) that explains your plan to succeed in this course. What are your plans and goals for the course? What skills do you want to have when you complete the course? What are you prepared to do to achieve your goals? How much time do you plan to spend preparing for class? What resources do you plan to use (library, Internet, instructor, classroom, other services provided by Saint Leo)? You can earn up to 50 points on this assignment. Submit it during Week 2 class. Use the file name “yourlastnameyourfirstinitial Student’s plan for the course.” Example: WaltersL student’s plan for the course.
